Chapter 1. Air Resources Board

Subchapter 9. Conflict of Interest Code

Article 1. General Provisions

§ 95000. Incorporation by Reference of Standard Conflict of Interest Code.

The Political Reform Act, Government Code Sections 81000, et seq., requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation, 2 Cal. Code of Regs. Section 18730, which contains the terms of a standard Conflict of Interest Code which can be incorporated by reference into the Conflict of Interest Code of a state agency. The regulation may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act after public notice and hearings. Therefore, the terms of 2 Cal. Code of Regs. Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated herein by reference and, along with the following Appendix in which officials and employees are designated and disclosure categories are set forth, constitute the Conflict of Interest Code of the California Air Resources Board.

Designated employees shall file statements of economic interests with the person designated to perform this function for the agency. Upon receipt of the statement of the Board Members and the Executive Officer of the Air Resources Board, said person shall make and retain a copy and forward the original of these statements to the Fair Political Practices Commission.
